About Us

Lordway Logistics Air & Sea / Lordway Shipping (LLAS / LS) is a fast growing and one of the leading international freight forwarding companies in Bangladesh. LLAS/ LS renders unique services in the fields of both Sea Freight and Air Freight and is run by a team of highly skilled, vastly experienced and most efficient personnel. It has very good connections with the major Shipping Lines & Airlines operated in Bangladesh in order to handle the respective cargo smoothly and properly up to final loading with the provision of fair and most competitive freight rates and fastest transit times.

Our Company–Conceptualized and established in 2001, as Lordway Logistics Air & Sea / Lordway Shipping (LLAS / LS), a privately owned company, has successfully lived up to its ideals: excellent service, competitive rates, and reliability.

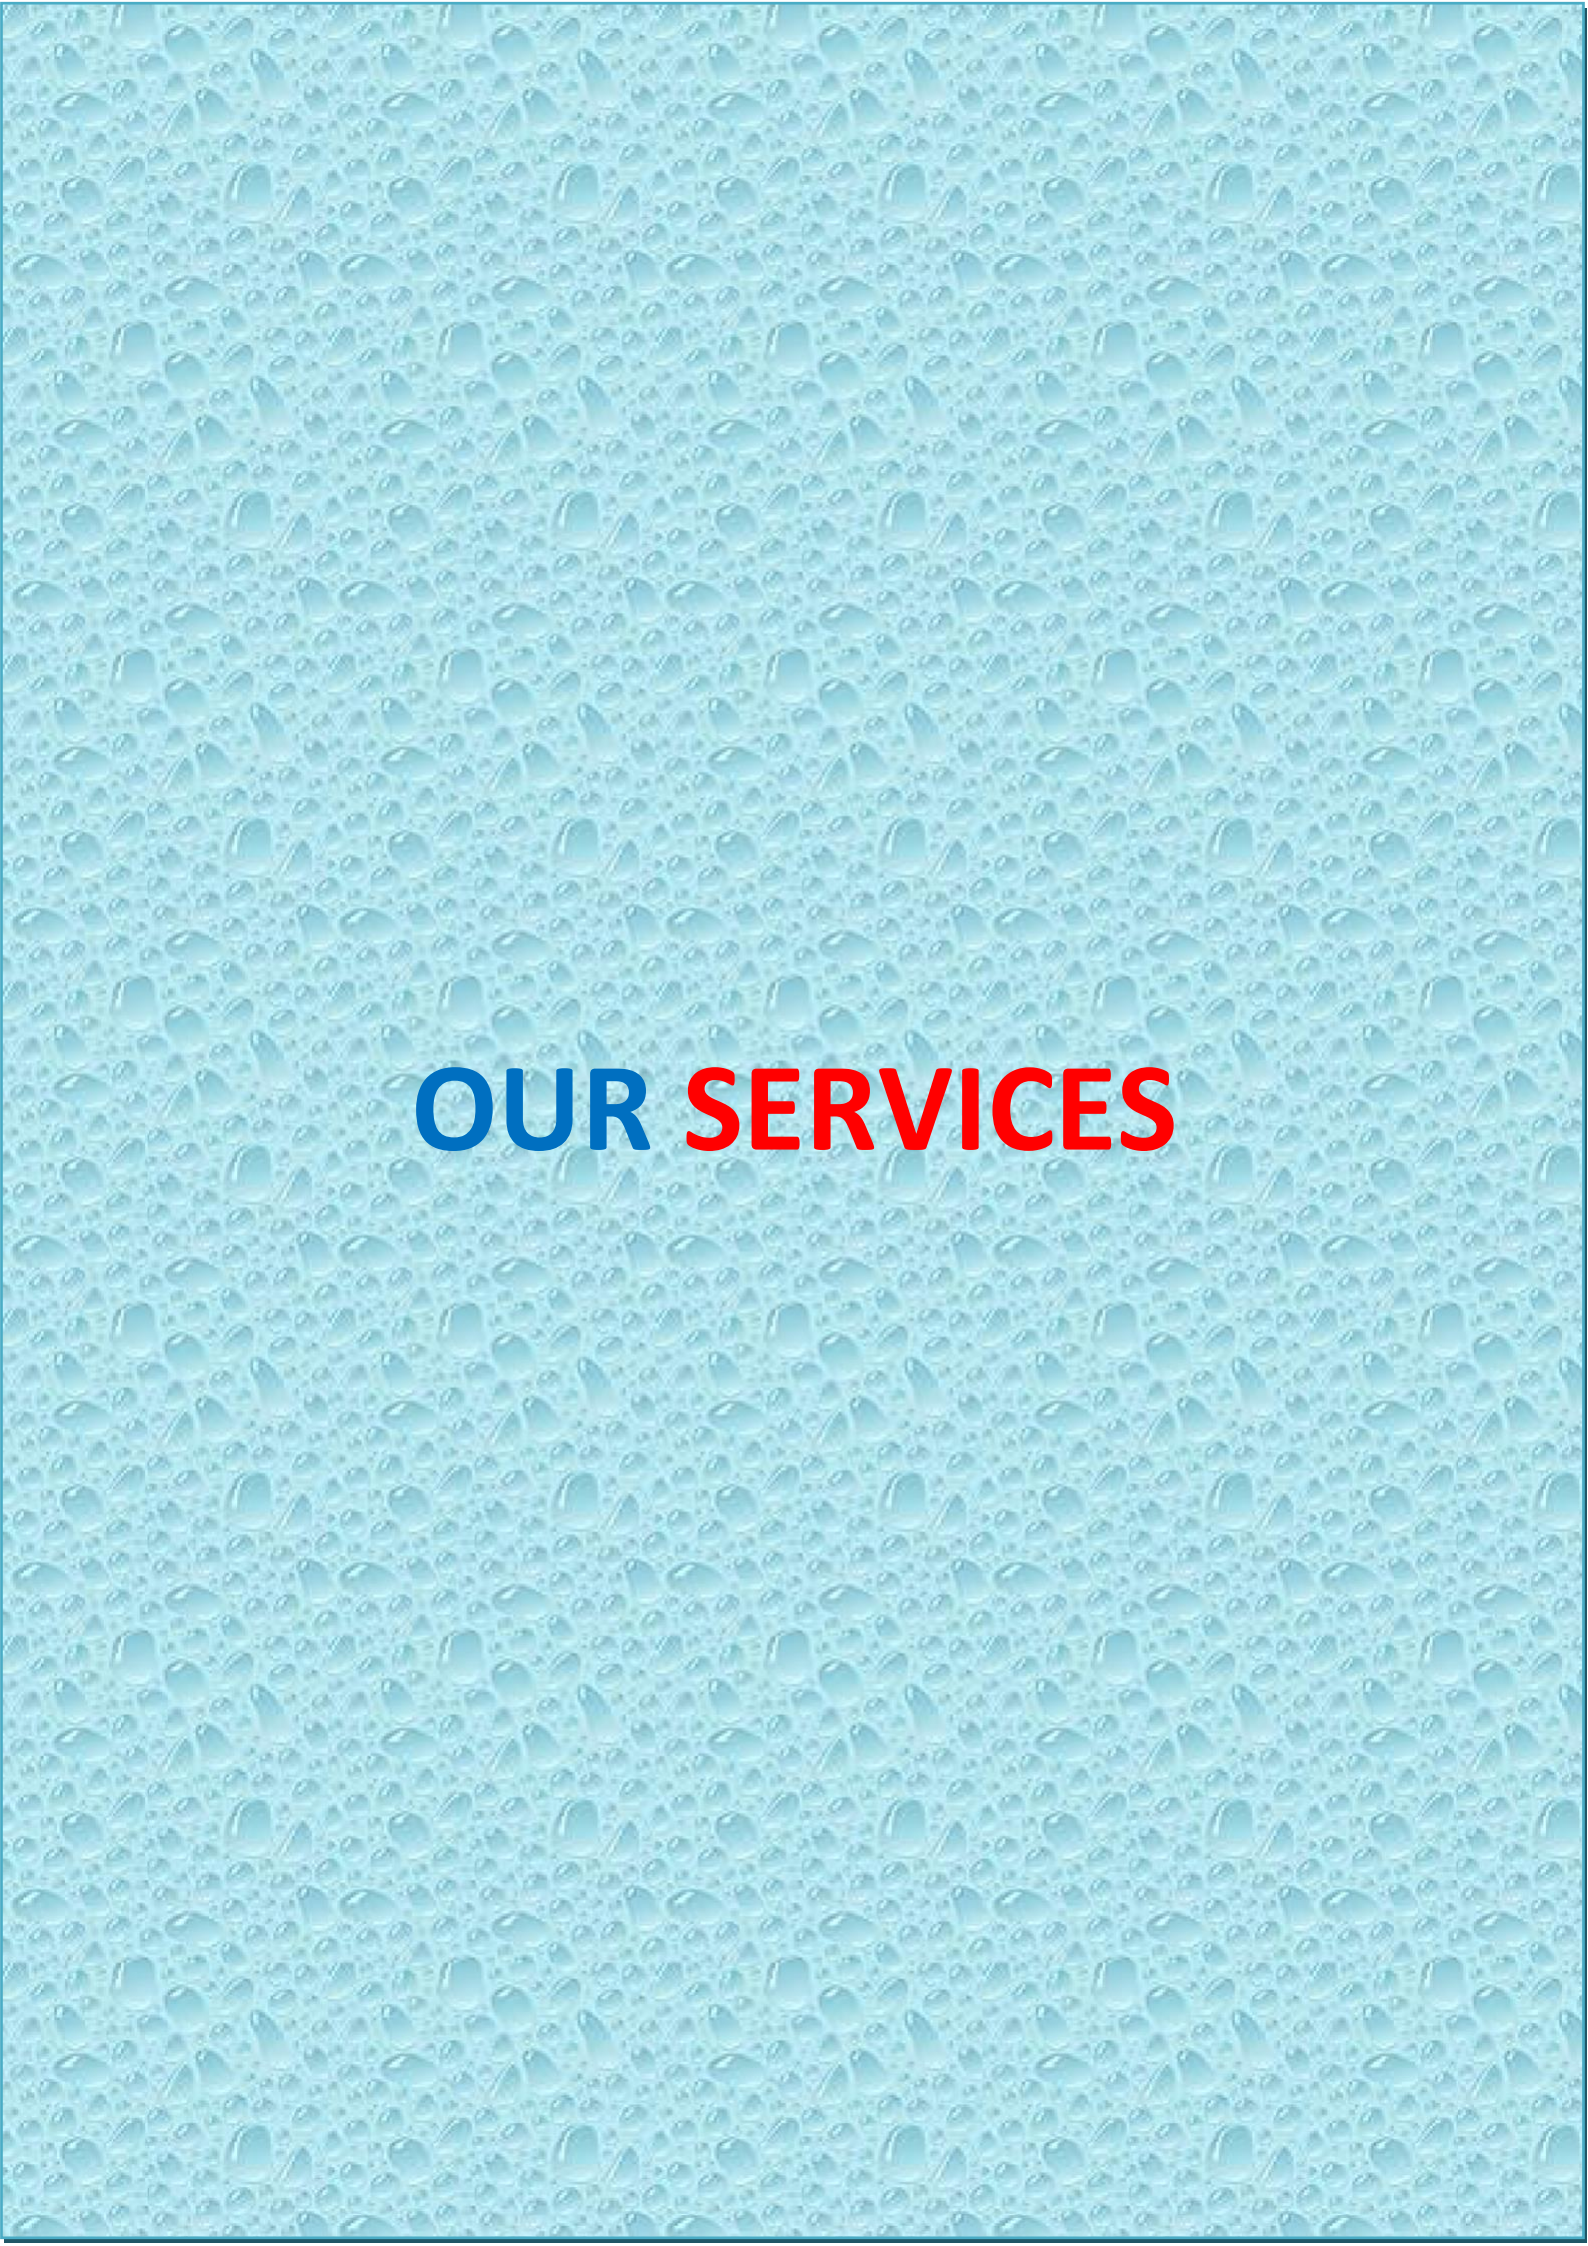

Focusing on these goals for the past 20 years, LLAS / LS has efficiently provided unparalleled services through its highly trained staff. “Only the best” has been the guiding principle of each and every member in the Company. We take our responsibility of arranging the transport of each shipment from point of origin to destination extremely seriously. The global shipping community has continuously entrusted our company with its logistic needs.

Neither our local nor our international clients have ever had to worry about the usually-costly expenses associated with shipping goods, as we have always offered competitive rates. Because of this, new and old clients have consistently chosen LLAS / LS among the countless freight forwarders available worldwide.

Our company as Bangladesh customs license holder, we are a certified member of Bangladesh Freight Forwarders Association (BAFFA), I-Trek and have acclaimed as a reputable freight forwarder broadly. In keeping with our highly regarded standing, LLAS/ LS has enhanced export and import programs to address more client-related needs and requirements.

Our company’s service has remained steadfast amidst the unpredictable world economic climate. LLAS/ LS remains an innovator in the freight forwarding industry, striving to deliver excellent customer-friendly communication that is coupled with our unmatched efficiency in service. Our worldwide numerous clients and agents alike can attest to this fact.

Among the many different freight forwarding and logistic companies in Bangladesh, we distinguish ourselves by Active, Professional, Efficient, Value-added, Cost-effective and One-stop services. As the company's name implies, our mission is to provide very "Well and Fast" logistic services in all respects.
